

Parent Online Safety Agreement Form

Pupil name: _____

Class: _____

Year Group: (please circle) Reception / Year 1 / Year 2

As the parent or legal guardian of the above pupil(s), I grant **PERMISSION** for my daughter / son to have access to use the Internet and other ICT facilities at school.

I know that my daughter / son has signed an online safety acceptable use form and that they have a copy of the "PEGI Parrot rules" to help them know what to do when using online devices. I can find this in the back of their home learning book.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered and monitored service, employing appropriate teaching practice and teaching online safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites they visit, and that if they have concerns about their online safety or online behaviour that they will contact me.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.
