

Dear Parent/Carer

WALK TO SCHOOL BREAKFAST

8.15am – 8.45a.m.

The Eco Club and I would like to invite you to take part in our '**Walk 2 School Breakfast**'. On the morning of this event, we encourage families to walk to school, to join us for breakfast and get a collectively healthy start to the day.

We encourage children to enjoy walking, cycling or scooting and also to understand that breakfast is a vital part of the day. We shall be collecting data of how people came to school the day before and the day after the event to see if we can encourage a healthier approach.

The front door of school will be open from 8.15a.m. and breakfast will run until 8.45a.m. in the hall. We ask that parents/carers maintain responsibility for their children on site, until the start of the school day at 8.50a.m. Siblings and other family members are welcome to join in.

Due to limitations of space, we politely request that prams and buggies enter are parked outside the front door where they will be remain under cover.

There will be a selection of foods and drinks available provide by Year 1. We will provide breakfast to everyone, free of charge. Any donations to help us cover the cost of the foods and support the Eco Club in planning future events would be welcome and most appreciated.

If you have any further questions, please ask a member of staff. We look forward to you supporting the Eco Club's Walk2School event and hope to see you for breakfast!

Yours sincerely

E Ridgway
