Our Weekly Round Up!

Some of the lovely things we have been learning this week: SO proud of everyone's hard work! 🍌🍌🍌🍌🍌

Message from Mrs Fawbert:

A warm welcome to our Reception children and their families as they have joined our school community.

We are so impressed with how beautifully the children have settled and are already learning the routines of school and making new friendships.

Our Key Stage 1 children have risen to the challenge of being our 'older' children and living up to our high expectations of their learning and behaviour. The work they are already producing is of an excellent standard.

We feel very proud of them all!

Attachments:

Lots of important attachments to this email today. Please take care to check them all. Thanks so much!

Design a Safe Parking Poster

Please see the attached letter outlining details of a poster competition we'd love for your child to participate in, in support of the 'School Keep Clear' project to ease parking congestion.

What's going on this week/notices/information:

Family and Relationship Workshops: I just wanted to share with you some of the upcoming workshops and programmes that are being delivered by the Family and Relationship Team. They are attached to this email.

Naming jumpers/cardigans: Please ensure that your child's name is clearly visible and prominent in their jumper/cardigan. This will save staff a lot of time when trying to give them out and also help you not need to replace them.

Information meetings: A reminder that on Monday, the Key Stage 1 teachers will be holding an information sharing about routines, expectation, homework, etc in the hall at 2.30pm. Miss Garvey and Mrs Hughes will be doing the same for Reception parents at 3.05pm in Ladybird class. Please try your best to attend. However, we will share the information by email too.

Dates for your Diary: Please see the attached dates for your diary. These are for the Autumn Term.

Have a lovely weekend!
