Our Weekly Round Up!

Some of the lovely things we have been learning this week: SO proud of everyone's hard work! 🙌🙌🙌🙌🙌

Message from Mrs Fawbert:

As we come to the end of another busy and exciting week at school, we just wanted to take a moment to thank you for your continued support and partnership.

The children have been full of energy and enthusiasm, and it's been lovely to see them growing in confidence, kindness, and curiosity each day. Whether they've been exploring new ideas in the classroom, playing with friends, or showing off their creativity, they continue to make us proud.

We hope you all have a restful and enjoyable weekend together.

Opal Play

Reception will join with Key Stage 1 from Monday to share Opal Play lunchtimes together!

Next week we will be voting for class reps to be on our School Council, ECO team and Online Safety Council. Please speak to your child to see if they would be interested in any of these roles.

What's going on this week/notices/information:

Caterpillar class: The children have done so well settling into their class, so, if possible, we would like them to say goodbye to you on the playground and walk up the path independently from Monday please. Also, please ensure the children have finished their breakfast before coming into school, so they can get straight on.

Drop-off and pick up: A polite reminder that the children need to dismount their bike/scooter at the gate and walk it through the school site please. Also, that dogs and vaping are not allowed on the school site. Thank you so much for your understanding in this.

Extra-curricular clubs: Early next week we will be sending out a letter offering clubs that the school staff are going to run during lunch-time or after school this term. There will be a small charge for covering staffing and resources.

Google Form about transition to BIS: Please can you take a few minutes to complete the Google Form that was emailed out to you yesterday. It will provide us with some valuable feedback. *Have a lovely weekend!*
