Our Weekly Round Up!

Message from Mrs Fawbert:

It's been another busy week! Our Harvest service was lovely and the children sang their Harvest Songs beautifully. Thank you to those families who were able to join us. I appreciate it is hard to arrange around work, etc.

The Year 2's visit to The Temple Speech Rooms yesterday for their Choral Workshop was a long day for them, but they did brilliantly! We hope they felt inspired by the music and enjoyed the experience.

Extra-curricular club payment

We are really delighted with the up-take for our school clubs and the children appear to be really enjoying them.

There are still some outstanding payments for the clubs, which only cover our staffing costs and resources. On Monday we will be sending out letters asking for the payment to be made by next Friday, otherwise after half term, the spaces will be re-allocated to children on the waiting lists.

What's going on this week/notices/information:

Text messages: We are currently using a text message service through our website and it only allows 150 characters, so that is why sometimes they appear direct and blunt as there is no room for extra information! However, once we move over to using the MCAS app, we won't have this restriction.

Parent Evenings: We look forward to seeing you all next week, when we hold our Parents Evenings for this term.

Reading themed afternoon: Each half term, we carry out a reading themed afternoon. On Friday we are going to spread the children around the school, to cosy up and enjoy an Autumn themed or tame Halloween themed story and activities. We are organising this within school rather than it being a family event, but we know the children will enjoy it and get a lot out of the experience.

FOBIS Halloween disco: A reminder that this is next Friday, 4-5pm. Please book via the QR code which was shared on last weeks Round-Up.

We hope you have a lovely weekend!
