

Autumn 2 - Our Amazing World

Science - We are learning about Materials and their properties

Go on a material hunt around your house. Make a chart to see which is the most popular material you can find in your house. Try searching for glass, metal, plastic, wood, paper. Can you find any more unusual materials?

Art - We are learning about colour,

What is your favourite colour?
Make a collage of your favourite colour by colouring, cutting & sticking from packaging / magazines, painting or using any other art techniques. How many different shades of your colour can you find?

English - We are reading The Journey Home, learning about endangered animals and their habitats.

In your homework book, make a fact file about an animal that is endangered and explain why it is at risk. You could choose a panda, orangutan or pick an endangered animal of your own.

Geography - We are learning about rainforests.

Find out what is a rainforest. Draw and label some animals or plants you might find in a rainforest.

Computing - We are learning about how to keep ourselves safe when online.

Scan the QR code to visit Smartie the Penguin's website. Choose Year 2 Story B to share together. After reading, either make a Smartie puppet or design a Smartie the penguin poster to remind you how to stay safe.

Year 2 Maths Fluency Focus

Number Bonds to 100

Use bonds within 10 to find bonds within 100. Learn your number bonds to 100 made from multiples of 10 fluently.

0+10=10	0+100=100
1+9=10	10+90=100
2+8=10	20+80=100
3+7=10	30+70=100
4+6=10	40+60=100
5+5=10	50+50=100

Also	So
2+5=7	20+50=70
etc	

CHALLENGE - You could try learning other bonds to 100
e.g. multiples of 5
 $35 + 65 = 100$
