# Our Weekly Round Up!

Some of the lovely things we have been doing this week: Grandparent tea parties for Remembrance and Children in Need 🍌🍌🍌🍌🍌

## Message from Mrs Fawbert:

It has been a very busy week marking some special events – Remembrance, Grandparent Tea parties, reading meetings, Prospective Reception 2026 Open Evening and today, Children in Need! Thank you to those of you who were able to attend our reading meetings. The feedback shows they were useful and did help your understanding of how we teach phonics and reading. I have been enjoying showing prospective parents around our wonderful school. Please continue to spread the word to any friends or family who are looking for a place for their child. Thank you!

Please ensure your child wears a waterproof coat each day and if they wear wellies to school, to have their school shoes to change into.

## My Child at School App (MCAS)

**Communication** - We are going to be transitioning to the **My Child at School App** as our primary method of communication with parents and carers. MCAS will become the sole platform for all school announcements and key information. We will be sending out a specific letter via email about it next week, which will have more detailed information and a step-by-step guide to setting it up.

## What's going on this week/notices/information:

**Key Stage 1 trip into Rugby:** On Tuesday the Year 1 and 2 children will be visiting Rugby Town Centre as part of their History topic. Please ensure your child is appropriately dressed for the weather. Parent/Carer helpers should have received an email this afternoon if we need your help. If you haven't received an email then we have enough helpers, thank you.

**Children in Need:** We are thrilled to report that today we have raised £71 for Children in Need, plus the donations for the headbands, pens and pin badges. The children looked fantastic and have managed well on this wet, windy day!

*I hope you have a lovely weekend!*
