# Our Weekly Round Up!

## Message from Mrs Fawbert:

A huge well done to Reception for their wonderful Nativity this week. They did such a fantastic job and made us feel very proud of them!

Church was another highlight, seeing the children bopping the heart balloons around and spreading love. The children sang beautifully in church and it made me feel very festive!

One week to go before the Christmas holidays and hopefully less illness next week!

## Toys and things from home

We have noticed an increase in the number of children bringing in toys/teddies from home. Please can these be kept safely at home because we don't want them getting broken or lost!

Thank you so much!

## Year 1 and 2 Nativity

The children are ready and excited to perform their play, 'Wriggly Nativity' next week! They have been working hard and can't wait for you to see it! The performances will be on Monday and Tuesday afternoons at 1.45pm and 9.15am on Tuesday morning.

## What's going on this week/notices/information:

**Extra-curricular school clubs:** These have finished for this term and all clubs will start with fresh bookings for next term. Details and booking will come out next week. Some children were on waiting lists and these will be given first spaces for clubs they couldn't get in this term. We are going to need to put the prices up slightly because it hasn't covered our staffing costs and resources. We have been really thrilled with the engagement, commitment and enjoyment we have seen from the children.

**Wednesday Christmas Dinner Day:** Next Wednesday it will be Christmas dinner day for the children. We would love for them to wear a **Christmas top/jumper on this day** please, with school trousers/skirt on their bottom half.

Wednesday flu sprays: Next Wednesday it is Nasal Flu Spray day. Please ensure you have given your consent online, if you would like your child to have it. ***We hope you have a lovely weekend!***
