Our Weekly Round Up!

Flu/fever illness before Christmas and attendance

I fully appreciate that there was a lot of genuine illness amongst many children, before Christmas. I have requested that flu sprays are done earlier, next Autumn, to hopefully help protect the children better. The session dates are apparently allocated on a rotational basis so those school vaccinated early in 2024, had a later date in 2025. However, I have been told that we should be earlier in Autumn 2026. I am hoping that the children have rested and feel much better now and hopefully attendance will improve. Please do get in touch with me if you have any concerns.

Message from Mrs Fawbert:

Happy New Year!
I hope you all had a wonderful Christmas and New Year.

The children have come back to school brilliantly this week and it has been lovely to see them and catch up on their favourite presents and experiences over Christmas.

The children have settled back into the routines and their learning really well, already getting very involved in their new topics.

Opal Play

We are collecting any small world toys and dolls if you have any, please!

Bilton Brilliance trophy

We have decided to give this trophy out once a month, to keep up it's prestigiousness and keep it really aspirational. Once a month it will be given out and we are creating a Bilton Brilliance of the month display... I will be working with the school council to discuss how to use the three new 'Behaviour Champion' badges we now have, too.

What's going on this week/notices/information:

Dates for your diary: We are finalising dates for your diaries for this Spring Term and will share these with you next week. As always, we have some wonderful events, experiences and opportunities planned for the children and families to enjoy and make happy memories at!

School based clubs: These start **next week!** We still have a few spaces left in each club and there is still time to sign up for them until Sunday evening. We really enjoyed running these clubs last term as we saw such enjoyment from the children involved.

Scooters at pick up/drop off: A reminder please for children to dismount as they enter the school site. Thank you!

Have a lovely weekend!
