

Friday 13th February 2026

Our Weekly Round Up!

Message from Mrs Fawbert:

We've reached the end of another busy, successful and fun half term. The children have worked hard and been offered some memorable experiences.

I really enjoyed my morning with the children, decorating a valentines pancake! It was great to see them enjoying this treat, too! Lots of sticky faces and fingers!

We hope you have a really enjoyable and restful half term and we look forward to seeing the children back on **Tuesday 24th February.**

Opal Play

If you have any spare socks or leggings these would be useful for us to keep as a change of clothes. Thank you!

World Book Day photography competition

We are holding a reading competition and would love as many of you as possible to join in! All you have to do is email us a photo of you 'reading for pleasure', in your favourite place. Please send your photographs in by **Monday 2 March** to admin2420@welearn365.com

What's going on this week/notices/information:

Planting a tree sapling: Miss Durkin is organising a tree planting morning on Sunday 29th February from 10am-midday. We would love for as many of you as possible to come along and plant a tree sapling, which you can name. Suggested donation of £5 per tree. Form sign up has been emailed out.

FOBIS matchbox challenge: FOBIS have sent details about their matchbox challenge out to you. Please get involved and support this, as a fun half term activity for the children and to raise valuable funds for the school.

World book Day: On **Thursday 5th March** we will be joining in with World Book Day. Your child is invited to dress up as a book character, or wear non-uniform if they prefer.

Walk to School breakfast: This will be held on **Friday 27th February** from 8.15am. Reception are 'cooking' and hosting this one. We would love to see a great turnout of families coming together for breakfast.
