

Friday 6th March 2026

Our Weekly Round Up!

Message from Mrs Fawbert:

It has been another busy week! The children seemed to enjoy World Book Day yesterday and their costumes were brilliant! They took part in lots of reading activities yesterday and we announced our winners of the Reading Competition. Thank you to all the children who participated.

Thank you to FOBIS for organising 'Bedtime Stories' last night and the teachers for their support. It was a lovely event, as always.

Next Thursday we will be having a Science Day in school and the children will be carrying out some experiments!

Opal Play family afternoon date change:

From Thursday 19th March to **Wednesday 18th March**

Hatton Adventure World School Trip

Please look out for the letter the children are bringing home today with details of our whole school trip on **Thursday 16th April**. It will be lambing season, so the children will be able to hold a lamb if they like! They will also have a tractor trailer ride and lots of fun!

What's going on this week/notices/information:

Opal Play family afternoon: We have needed to **change the date** of this event from Thursday 19th March to **Wednesday 18th March** afternoon instead. We will be in touch with more details about this opportunity for you to come into school and play alongside your child and see what Opal Play is like.

Thursday 19th March Year 2 Theatre Trip: We have been invited by Cawston Grange to watch their production of 'High School Musical' during the afternoon. There is no cost to this. Year 2 collection might be a little later on this afternoon, but we will be in touch with further details.

Mother's Day tea parties: These are next Friday at 9.15am and 2.30pm. Please sign up via the form that the office have sent out.

We hope you have a lovely weekend!
