Our Weekly Round Up!

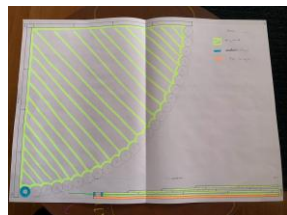

Message from Mrs Fawbert:

It's been another busy and rewarding week for our children, with lots of enthusiasm shown across lessons, activities, clubs and playtimes. The children have worked hard, supported one another, and continued to build confidence in their learning—something we're really proud of. I have been observing lessons and looking at the engagement of the children and it's truly outstanding! They love to learn! Thank you, as always, for your ongoing support at home; it makes a real difference. We hope you all have a restful weekend and look forward to another great week ahead.

We are hiring!

We have a TA role available! Please see our website for details of how to apply. Closing date is next Friday!

'Bilton Beach' OPAL Play Sandpit

During May half term, we have a team who will be creating two 10m long sleeper walls to create a corner, then tyres going diagonally across to make a large triangular shaped sandpit. We need to fundraise for about 25 tonnes of play sand! If your business or you are able to help with this in any way, please get in touch!

What's going on this week/notices/information:

Diary dates: These are coming out today so please add them to your calendars! We love to offer lots of lovely events and opportunities for the children.

Parent/carer SEND workshop led by our Educational Psychologist, Marie Pfitzer: On Wednesday 6th May, 9.15am in the hall, Marie will be talking about how to parent a neurodiverse child, then hold 1:1 confidential drop-in sessions. Any parent/carer is welcome and we warmly encourage you to attend if you can as it will be a highly informative session.
