### What's going on after half term - notices/information:

**PE days:** If your child has long hair, please ensure it is tied up securely on their PE days.

**Attendance:** It's a new half term after the holiday. Please try to get your child into school every day for the whole 7 weeks! There has been a considerable number of absences these last few days of the half term, which has greatly impacted your child's/school attendance. **Dropped to 93.8%.**

**Lateness:** There are a considerable number of children who are arriving late to school every day and this has a huge impact on their start to the day. Please leave more time in the mornings to ensure that your child is arriving on time.

**Sandpit:** It's under way! The children have loved watching the start of it, today. Thank you SO much to all the families who have made a donation for sand. We are so excited that it looks like it will be ready for the children after half term, thanks to Scott Hoare and his team!

*Wishing you a lovely half term!*
