Our Weekly Round Up!

Community support

We have appreciated so much recent support for 'Bilton Beach' being created and this weekend we have volunteers from BEC Church, giving up their Saturday, in order to further enhance our school environment. They will be building reading dens / social spaces, a herb garden, beach tool wall, paint the staff toilets and fix some fencing. This is a lot to achieve in one day! If you are able to give up any time to help complete any of these that aren't quite finished, please do get in touch. Support to enable our continuous improvements is always very gratefully received.

Message from Mrs Fawbert:

Despite the temperamental weather this week, the children have been able to enjoy playing in our very special 'Bilton Beach'! They have been very sensible and are really enjoying playing with their friends and building sandcastles! We hid some treasure in there, today, too!

The rain has helped our mounds and we were able to open them today for the first time. The children loved playing on these, rolling down and crawling through the tunnel! Next Wednesday 17th June is **National Thank a Teacher Day** where you can complete an online thank you, free of charge, for any staff who have made a difference to your child. [Thank a Teacher Form - Thank a Teacher](#)

Spare clothes

A reminder again, to please ensure your child has a change of clothes on their peg at all times – particularly extra socks, pants & leggings/ trousers. Thank you!

We had a brilliant assembly on Tuesday this week where the children were shown the benefit of music and forming a band. We are keen to bring more musical opportunities into school. Please sign your child up from September if you would like your child to benefit from this experience.

What's going on next week - notices/information:

Donuts for Dads: Next Friday it is our annual Father's Day celebration where Dads can book to attend our 9.15am or 2.30pm session and enjoy a donut with their child/ren. We will be providing the donuts and refreshments but will be asking for monetary donations to cover the costs and hopefully raise money for our on-going outdoor provision e.g. Forest School and Opal Play resources.

Toys: Year 1 children in particular are bringing a lot of soft toys and fidgets into school. These are a big distraction and need to remain at home, please. If the children require sensory resources, we have them to give the children to use, or speak to their class teacher to agree anything else. Thanks!

Cake sale next Friday: We would like to hold a cake sale after school next Friday for our final Opal Play stay and play. We would welcome donations of cakes please to be brought to the office next Friday morning.

Have a lovely weekend!
