Our Weekly Round Up

Learning is fun!

Message from Mrs Fawbert:

Well done to all the children for an excellent start to the year. Already, just a few weeks in and I am seeing some amazing learning, wonderful work and settled children.

The Reception children have settled fantastically and we think their extended transitional sessions during the summer term helped with this.

They are doing really well and started their phonics and maths learning this week!

Our Nursery children are becoming much more settled, even those who have never been to nursery before. I am super proud of them and you, for your strength and perseverance!

Attendance

A deliberate action for me was to ask the School Vaccination Team to deliver our children's flu vaccines earlier in the term this year, as it was mid-December last year and many children were absent with flu and fever. So, these successfully took place yesterday!

Before and after school club

A reminder that our breakfast club now starts at the earlier time of 7.30am and after-school club is open until 5.30pm. We think this timing further supports working parents/carers. It is a really wonderful provision, run by our TAs who the children are familiar with. Even if you don't work, it is still a cost effective and stimulating few hours where you can get some things down and know your child is being well looked after. If you'd like to book your child in, this is through our website:

What's going on this week/notices/information:

School based clubs: These will start next week! We offer a variety of clubs, to give our children the chance to get involved with something they enjoy. Currently Board Games and Arts & Crafts have a low number, so risk not running. If you'd like to sign up for any clubs and haven't yet, please do so by **Sunday evening**.

Hockey: On Thursdays AK Coaching are running hockey sessions for 4–7-year-olds. It is a really fun session with games and the basic skills of hockey. We need more children to sign up, otherwise it cannot continue to run.

Parking: A reminder that Alwyn Road and St. Mark's Church are two excellent places to park and walk from, which will help ease the congestion around school at drop-off and pick-up.

Rock Steady: This will start on Monday morning and there are still spaces available if you are interested.

Forest School: Your child brought home a letter today detailing when they will have Forest School and all the details...
