We really can't wait to meet you!

Message from Mrs Fawbert: **WE NEED YOU!**

Our 'Friends of Bilton Infant School' (FOBIS) committee are having to stand down after their fantastic work. We need some more willing parents/carers who can work together to organise our **Halloween Disco** and **Christmas fair** initially **otherwise these two events will be cancelled** which would be disappointing for the children.

Also, our school **need these funds** in order to buy the extra things like i-pads, coaches for trips, Forest School training – all of which, we wouldn't have if we weren't for FOBIS events.

Please come to our AGM next Friday 2nd October, 3.15pm - hall.

Attendance

If a **medical appointment** is absolutely necessary during the school day, please bring your child into school for their morning mark, collect them to take them to their medical appointment and then return them to school for their afternoon mark. Thank you.

It was Miss Durkin's first Forest School morning today and it went really well! We hope our 'A' children had fun and have come home telling you all about it! We are really excited to give our children this opportunity.

What's going on this week/notices/information:

Reading meeting: Miss Osborne will be leading the Year 1 reading meeting on Thursday, 9-10am. Please do attend, as it's an excellent chance to understand how you can support at home. You will also get to work with your child!

Reception children: The school nursing team will be in school next Friday to measure their height and weight.

FOBIS AGM: Next **Friday at 3.15pm in the hall**, we will be meeting to set up our committee for 2026-27. As I said above, we REALLY need support from you parents/carers because otherwise this fun opportunity for the children to experience nice events, plus school fund-raising will end. School PTAs are crucial to the community feel of a school and I urge you to please come along and get involved. It's also a great way to meet other parents and it doesn't mean a lot of work, it can be shared out. More hands make light work!
