Our Weekly Round Up

Message from Mrs Fawbert:

Every week is a wonderful week in school, but this week has been filled with beautiful artwork, clay divas and baking ready for our Diwali walk to school breakfast. The turn out was incredible and we are so thrilled that so many of you could make it this morning. It's always a lovely community event each term.

I'd like to wish any of our families who are celebrating Diwali this weekend, a wonderful family celebration.

Huge thanks to Saiyan's Mum for coming in to talk to the children about their traditions.

Lateness

Still a lot of children arriving late to school and needing to be signed in and taken to class. Please consider your morning routine to ensure that they are arriving by 8.50am. Thanks!

Complaint from a neighbour

This morning we received a complaint from a resident on Magnet Lane who said one of our parents' cars had been parked blocking her drive, so she couldn't get out. This really isn't fair at all on our local residents and when she asked for it to be moved, the parent refused.

Please take extra time & care to park considerately.

What's going on this week/notices/information:

Parent evening: Next week we are holding our parent evenings. A chance for you to speak to your child's teacher and see some of your child's work. Please make sure you have booked this via the app.

Remembrance Day: Next Wednesday any of our children who attend Beavers or Rainbows are welcome to wear their uniform to school.

Grandparent Tea Parties: As always, we are excited to be hosting tea parties for our children's grandparents next Wednesday afternoon. If you haven't yet got a ticket, please visit the office with your £3.

Children in Need: Next Friday it is Children in Need. We like to raise money for this charity as it supports children. Your child is welcome to wear spots, bright colours and/or crazy hair next Friday with a recommended donation of £1.

Have a lovelu weekend!
